> More about CAFFE' GHIGO

The quality reached by Caffè GHIGO in more than 60 years of activity was built, step by step, thanks to the collaboration of the best experts in the field, researching and selecting a quality product.

During this edition of Fancy Food Caffè GHIGO launches the presentation of the new proprietary pod machine Ophelia 2019 with the new Biologic Line of Pods Spic (Classic, Mild, Arabica, Decaffeinated).

Our Company at FANCY FOOD 2019 presents a real novelty for the US MARKET with a product that respect the environment while maintaining the characteristics of a typical italian espresso.

Our staff are on hand to make all Visitors and workers at the fair taste an excellent and natural Espresso Italiano.
