> More about LA FAVORITA LIVE

For more than 45 years, our family has been devoting its time, passion and efforts to creating crafted Italian specialities, using natural quality ingredients and adding **no** preservatives or colorings to make simple yet genuine, traditional recipes.

Our **own production** includes an exclusive range of **pestos** with Genovese basil DOP, **truffle** specialities, **saucers, creams, egg pasta** and much more besides.

We are proud that our products can be found in some of the most prestigious international restaurants, gourmet and luxury lifestyle stores and food markets.

In addition, we have been cultivating directly Genovese basil DOP and taggiasche olives for more than 100 years.
