> More about Langhe Gourmet

Since 1997, Langhe Gourmet has been carefully selecting the finest raw materials to craft authentic Piedmontese specialties—bringing the true flavors of Northern Italy to your table.

Our products feature premium Piedmontese wines, including renowned reds like Barolo DOCG, Barbaresco DOCG, and Nebbiolo d'Alba DOC, as well as exquisite whites such as Moscato d'Asti DOCG.

Langhe Gourmet

Another cornerstone of our tradition is the Fassona Piemontese beef, celebrated for its exceptional quality and the rich taste it brings to our Ragù.

For our truffle delicacies, we collaborate with local "Trifulau" hunters and their trusted dogs, who expertly source these rare, prized fungi from the Langhe's fertile soil.

Every product reflects our dedication to quality, tradition, and the unparalleled taste of Piedmont.
