The Lead product is the «Bicerin Originale®» of Giandujotto, a delicious creamy liquor with a unique formula soy-based. The innovative aspects are: gluten-free, lactose-free, vegan, no expiry date even once the product is opened (other similar products lasts 6-9 months after opening), Kosher Certification. The alcohol content is only 15 degrees, for a multitude of different uses. There are a variety of other flavors in dark or white color: Orange, Peppermint, White, Raspberry ... The classic size are: 1 Liter, 700 ml, 375/350 ml/ 50 ml.

Other very appreciated products are: the Flavoured Wine based Aperitifs 17% vol. (they pay the wine tax), Gin di Fiori, Italian Espresso, Amaro di Torino and Amaretto Italiano. A wide variety of Syrups for caffè, Cocktail and Moktail of high quality, very concentrated and flavoured.

NUOVE DISTILLERIE VINCENZI is specialized in making custom products for its clients, from the recipe to the packaging.
