> More about MARABOTTO GIACOMO & FIGLI

Since 1951 MARABOTTO GIACOMO & SONS – SAPORI ITALIANI is a family-run company which produces with careful craftsmanship the tastes and pleasures of the great Italian cooking tradition, such as dried and in oil mushrooms, truffles, flavoured pasta, starters, sauces, pesto sauces, spices and much more. The Marabotto house pays particularly attention to saffron, which is worked and packed with traditional production methods.

A love for things still made with passion, authentic products that bring to mind simple, natural foods and make the Marabotto products more and more famous abroad: the house starts to export and sell throughout Europe. From the 80es onwards, the MARABOTTO GIACOMO & FIGLI house expands its market all around the world, however it remains a family-run business, which cares for authenticity and naturalness of food and which aims at guaranteeing their customers the best of Italian fine-foods.
