> More about FRANCONA

Since 1896 FRANCONA has built its Italian history by combining experience and passion. For over a century FRANCONA family continues to work with passion and dedication in the bakery. An all-round quality approach, from the selection of best raw materials (without additives and preservatives), natural dough leavening and a continuous commitment to research and innovation.

The Company is ISO 9001 and FSSC 22000 certified according to international regulations regarding the management and quality control ensuring safety and health of consumer.

ANTICA GENOVA is our brand of frozen pre-cooked focaccias and pizzas.

Ideal for any time of the day: breakfast, lunch, snack, happy hour and dinner. Our range of frozen bakery products maintains the typical fragrance and flavour of artisan products made in Italy only with natural ingredients.

FRANCONA offers a life-long experience to in-store bakeries of retailers as well as to bakery and horeca professionals.
