> More about FANTOLINO DISTRIBUZIONE SOC. AGRICOLA A RESP. LIM.

Our eggs are:

GOOD

An egg with a pleasant and delicate taste, produced by chickens free to move, in full compliance with the rules for animal welfare.

HEALTHY

We respect good manufacturing practices, prophylaxis and all sanitation procedures to always guarantee a naturally healthy product.

GENUINE

In our farms the hens are fed with selected and certified food, to guarantee total control of the production chain with confidence and transparency.
