> More about GEFIM

GEFIM SpA is a company based in Turin, which operates in the construction and real estate marketing in which it is a leader on a regional and national scale. The company represented the evolution of the entrepreneurial tradition active in Turin since the beginning of this century. Today it is an affirmed business reality recognized among the main actors of the most recent urban transformations. GEFIM S.p.A. has, among other things, developed and consolidated a particular expertise in the process of redevelopment and recovery of industrial areas throughout the urban fabric of cities and metropolitan areas.

The company carries out directly all the functions related to real estate operations starting from the economic / financial and urban planning feasibility studies.

In the management of real estate transactions of greater complexity and guaranteed size, GEFIM acts in synergy with the most qualified partners in the sector.
