> More about O.M.R. SRL

Strengthened by a long family tradition and a strong and true "Made in Italy" manufacture, we are a company specialized in the **design, production and marketing of locks and locking systems, both mechanical and electronic**. We work hard to supply the best products and to increase the level of security of our locks, helping our clients save time and money by always staying at their side and supporting them. Being a solid and key partner has been our mission for over 60 years, and it is still the basis of our solid reputation.

STRENGTHS

- - Made in Italy production
- - Autonomy and management of the whole production process
- - High level of flexibility and customization
- - Internal and external quality controls
- - Impartial certifications in accordance with the law
- - Continuous investments on innovations, new technologies and new markets.
