

CMP IMPIANTI SRLS A SOCIO UNICO

> ~~More about CMP IMPIANTI SRLS A SOCIO UNICO~~

CMP Impianti was set up in the early 1990s to satisfy the technical needs of our customers.

Since then, the company has grown, expanding its professional activity and increasing its workforce, while staying committed and passionate in order to satisfy our customers.

Apart from technical installations, we also provide consulting services, feasibility studies, checks, assessments and technical tests for all kinds of installations.
