> More about GAA SRL A SOCIO UNICO

GAA is an Architecture and Interior Design firm based in Turin, building on the long-standing professional experience of architect Attilio Giaquinto. Dedicated to creating high-quality projects with integrity, intelligence and flair, the firm has grown over the years to become a recognized reference in Italy and in international contexts. Today, GAA integrates multidisciplinary architectural and technical skills, working in coordinated teams to deliver tailored solutions at both urban and interior design scale.

The firm operates in architectural design, urban planning and regeneration, refurbishment and concept design, combining creative vision with technical expertise. Throughout its projects, G*AA continuously pursues innovation, sustainability and energy efficiency, with a strong focus on Clean Tech solutions and Green Building principles. The studio adopts responsible design strategies, advanced materials and digital tools to reduce environmental impact and improve building performance.
