SPECIALINSERT

> More about SPECIALINSERT

Specialinsert® is an Italian industrial company specialized in production and sale of fastening systems, which include both catalogue, custom and tailor made inserts for laminates, solid parts, plastics and composites. A company strongly oriented to R&D and product innovation: levers successfully pursued in over 50 years of activity, together with a thoughtful export strategy in more than 70 countries.

For Specialinsert®, innovation is an opportunity to be seized every day: our products are the result of a careful R&D process, in which technological innovation and know-how find their maximum expression, in order to reach standards of higher and higher efficiency.

Our vision? To provide the most innovative fastening systems, in every sector and for every use.
