> More about CAPRA

The brand ENRICO CAPRA was created to gratify the mind and heart of the woman. From the marriage of the excellence of impeccable craftsmanship and refined design, ENRICO CAPRA transforms high quality materials into true works of art to be worn as a bold statement and lasting identity.

The company was founded in 1974 by Enrico CAPRA and a group of well-known professional, in the capital of Italian Fine Jewellery with the objective of creating a modern design collections with original shapes and volumes. ENRICO CAPRA collections stand out for their harmonious and original shapes. Well-proportioned and comfortable jewels, satisfying sight and incredibly comfortable to wear.

Since the early years ENRICO CAPRA creates jewelry by thinking to women with a strong personality, unique identity and fascinating. Jewelry that never cease to amaze with their incredible beauty, full of life and harmony. The quality of the materials used and the skill in the processes are important features that allow ENRICO CAPRA to be proud continuously present in some of the most prestigious jewelers in the world.

CAPRA

ENRICO CAPRA

The innovative and recognizable style of the ENRICO CAPRA creations, characterized by a refined taste, unique and highly feminine, made from the beginning the brand synonymous with elegance and distinction. The color combinations of noble materials used, the purity of precious gems and skill in working with gold blend together to create original and exclusive jewelry.
