> More about AURORA

AURORA is a leading company in the production of luxury writing instruments and leather goods, clocks and paper.

From 1919 it creates exclusive products, realized with a perfect balance between craftsmanship and innovation, typical jewellery tradition and hi-tech production.

With a single establishment in Turin and lead by the Verona family, from 4 generations involved in the world of writing, AURORA is distributed today in over 50 countries all over the world and it is a real ambassador of the Made in Italy par excellence.
