## > More about I BY IANNELLI

I BY IANNELLI portrays every day "Made in Italy" jewellery art with originality and aesthetic versatility, keeping Italian product value, manufacturing care and design balance alive. Manufacturing, logistic and sales staff management are at the base of business success.

High quality services and products guarantee is our goal.

Unbranded by concept, I BY IANNELLI boasts a wide range of collections with more than 3000 items to meet all demands. The meticulous research and modeling work, the chance to share and take part to the project steps and goldsmiths manufacturers expertise support I BY IANNELLI mission: to find easy and pure beauty, beyond fashion trends and time flowing.
