> More about ERREDUE

1968, a date to remember. Floriano and Gianni ROTA, pioneers of high-end jewellery built up a prestigious Brand – ROTA E ROTA – the essence of flawless design, shapes perfection and never ending research for top quality gems and diamonds in a rainbow of emotional gold colors.

Every stage of each exquisite piece of jewellery, from concept to production, is carried out in the offices and laboratories of ROTA E ROTA in Valenza, and represents the classical elegance of timeless beauty.

Nowadays the Brand is renowned and distributed in exclusive boutiques and jewelry stores worldwide, where tradition and innovation blend into spectacular lines of outstanding jewels.
