> More about AGENA

A strong entrepreneurial spirit, a sensitive farsightedness and a remarkable ability to interpret the evolutions and trends of the market and consumers' needs are all AGENA®'s features, a firm that can claim more than 50 years of experience in the sector as one of the most distinctive companies offering Made in Italy products and that is specialized in the DESIGN, EDITION & PRODUCTION of top class interior decoration WALLPAPERS, FABRICS & RUGS.

A capillary distribution network all through the International markets, enable Massimo Noto - creative soul and commercial head of the company as well as President since 1990 – to look forward to a bright future.

The fabrics and wallpapers manufactured by AGENA® for high class decoration explain a daily luxury “par excellence”, or in other words, the result of AGENA®'s innovative creativity and certified quality totally made in Italy.

It suggests the joy and taste of living by decorating our homes without turning them upside down and conferring to them a strong personality.

“Fashion passes by, style remains” was one of Coco Chanel's favourite quote and AGENA®'s style represents today a powerful and avant-garde brand able to actually set the trend.

AGENA mainly operates in the design and textile fields.
