> More about EFFEPI GIOIELLI

Our Society had been established in 1976 and set up to be a mountings company; working with clients worldwide. Specialized to high range jewellery, it renewed itself in 2005 due to its new young entrepreneurs, always ready to serve their clients, with professionalism and efficiency.

The Company managed since its birth, to increase its own production line by 7000 pieces, thus giving an elevated impulse to the Society. Its philosophy: to have more and more a new competitive and fresh product to present to the customers during the shows. This is why EFFEPI gioielli srl is interested in improve its resources in technical's research and new prototypes and models' innovation.

Thanks to the success due Vicenza Show that take place in January and September, its young entrepreneurs decide to sign up EFFEPI Gioielli srl the most important shows in the World: Hong Kong, Baselworld, Las Vegas, Valenza and Dubai. In this way EFFEPI Gioielli srl become one of the most competitive Jewellery in Valenza District.
