> More about OPIFICIO SERICO FIORENTINO

l'Opificio is a family company specialising in creation and production of furnishing fabrics and Home Haute Couture line for the home such as cushions, bed covers and poufs, completely customizable.

Founded in Turin in 1998, **l'Opificio** philosophy is characterized by the research of an impeccable quality, a refined and eclectic style, a great chromatic richness. **l'Opificio** exports in over 40 countries and, since 2011, has been a member of Exclusive Brands Torino, the network of businesses in the Unione Industriale di Torino, a select group of top brands from Piedmont.

OPIFICIO SERICO FIORENTINO

l'Opificio designs and produces its collections 100% Made in Italy, ensuring total control of the vertical production chain and paying great attention to sustainability. Since its foundation, **l'Opificio** has shared in its corporate objectives, to be a company attentive to sustainability, for this reason, l'Opificio has decided, together with other companies of the textile production chain, to join Slow Food in the creation of Slow Fiber.
