> More about MACHIAVELLI

Machiavelli Music operates since 30 years globally in music consulting, licensing, music clearance, synchronization and production for renowned luxury brands & corporations, events producers, web/cross-media/mobile companies, advertising, movie, TV & radio broadcasting, post-production.

Machiavelli keeps on searching for music and tech innovations, to create strong brand music-identity thanks to a tailor made music curation. At Machiavelli Music creativity and innovation merges with high expertise in music rights clearance and guarantee. Due to this winning mix, Machiavelli Music has been chosen worldwide for thousands of projects for brands: sonic branding, music architecture for retail stores, branded playlists, sound design, digital therapeutics, background music in resorts, theme parks and hotels, sound design for exhibitions, museums, events, public spaces, advertising, cinema, television.
