> More about Forestae

Forestae is a company that offers consulting and services in marketing and communications.

It caters to organizations that are on a path of growth and transformation; Forestae supports them by offering strategic, creative and sustainable support with a focus on innovation and digital.

What happens every day at Forestae? Communication media and digital content, graphic designs and creative concepts, marketing strategies and online advertising campaigns take off.

The company was born in Turin, where its headquarters is still based.

Its team works entirely remotely, gathering talent from just about everywhere, as do the many external collaborators involved in projects.

Clients and partners, from a wide plurality of sectors, are both in Italy and scattered around the world.
