> More about Cinefonie Scarl

Cinefonie is an independent production company with over twelve years of experience, based in Turin. We are an international hub dedicated to developing projects, nurturing talent, and creating assets for audiovisual production. For your initiatives, we handle audiovisual content, from streaming to storytelling. "Stories that leave a mark"—this is our DNA, at the heart of the cultural projects we pursue. We don't just make videos; we create new forms of audiovisual and digital storytelling.
