## > More about ERREBI PAPER INDUSTRIA CARTARIA

**ERREBI PAPER** srl has been in the paper business in Cuneo for over 40 years.

The manufacturing has focused on disposable tissue paper and air laid articles to serve the medical, aesthetic, health and food sectors.

The medical branch is the company's core business: thanks to the experience acquired in the sector over the last four decades, **ERREBI PAPER** has been able to establish itself at European level as the specialist converter of medical couch rolls.
