> More about Garden Cosmetics

BOUTIQUE is the Italian brand of make up and skin care for any kind of skin, manufactured in Italy by GARDEN COSMETICS SAS.

Founded in 1954, we are an Italian professional cosmetics manufacturer that has revolutionized the rules of cosmetics and started selling over the most demanding beauty addicts in over than 30 countries, including Europe, Middle East, Asia and North America.

We are constantly committed to a single objective: to allow all women to treat themselves to the most innovative cosmetics.

Behind each product is the excellent research of an expert scientific team that develops new technologies and original formulas. High quality and extreme safety in addition to creativity, taste and a focus on details is the base of our daily job. The result of cutting-edge scientific discoveries the latest fashion trends, BOUTIQUE continuously renews itself with products that are always new and closer to the multiple ideals of beauty. The key words for our products are technology, safety, efficacy, sensory effect, practicality and luxury.
