> More about MARIO ZUNINO & C.

Making beauty products is the perfect blend of passion, expertise and heart, looking to the future.

Research & Development, in Italy since 1961. A long journey to achieve a long experience and renowned success through:

MARIO ZUNINO & C.

- Manufacturing and distributing hundreds of different cosmetic formulas for treating skin and hair.
- Partnering with the most prestigious Italian universities, in order to test and guarantee the results of all cosmetic products.
- Leadership on the cosmetic market as first Italian cosmetics company to achieve, for more than 20 years, the International Certifications for Quality, Environmental Respect and Manufacturing expertise: UNI EN ISO 9001, 14001 and 22716.

The ESTEREL – MARIO ZUNINO Labs, using the most advanced scientific research in the cosmetics field, provide the best answers to the needs of the beauty market with innovative products, appreciated by worldwide customers, for a total quality in time.

The Cosmetic Network headed by the ESTEREL excellence brand, in partnership with the sister company SABEL Cosmetics, is focused on:

- Projecting and manufacturing of cosmetic products with celebrated brands for the Italian beauty centers and their clients.
- Projecting and manufacturing of prestigious cosmetics to sale in the most renowned international shopping centers.
- Projecting and manufacturing of private label products for local and international companies.

The Universe of Top Quality Cosmetics enhanced by the ESTEREL products is currently operating on the Italian and International market since 1961 with innovative cosmetics, designed by advanced labs, following the prestigious International Certifications UNI EN ISO 9001, 14001 and 22716.
