> More about GHIGO s.r.l.

Ghigo Srl is a family-owned company founded in 2007 in Asti, Italy. We began as an international pharmaceutical distributor operating in parallel distribution and hospital tenders. Over the years we have extended our trading product offer to include OTC products, nutraceuticals, medical devices, cosmetics, and beauty products. We are now one of the top suppliers in the Italian and European markets.

We are also exclusive distributors of leading Made-In-Italy brands of nutraceuticals, sports food products, hair care and sunscreens.

Ghigo's highly qualified staff and many years of experience in the pharmaceutical sector guarantee top quality and GDP standards. Our warehouse is equipped with modern technology for storage and logistic management that allows us to monitor every phase of orders. Our goal is to satisfy our clients' product, quantity, logistics, or other needs making your work easier and more profitable.
