> More about GONE S.R.L.

GONE is a dynamic company that works like CONTRACT MANUFACTURER exclusively in Private Label with a solid background skin care industry, run by a determined and young team.

We have over 30 years of know-how in formulation R&D, with more than 3000 skin care and hair care products.

Each new formula is tested to achieve the ideal product for the greatest customer satisfaction.

In our brand new building, we work small and big batches, up to 10k pieces per day in full service.
