SINCE 1986

MADE IN ITALY TECHNOLOGIES FOR THE TREATMENT OF IMPERFECTIONS

Cesare Quaranta has been working in the field of professional aesthetics for over 35 years.

It is specialized in design, production and distribution of professional equipment at the service of the beauty and the well-being and it is a brand of reference for all the operators in the sector that intend to make use of versatile, reliable and innovative tools and technologies.

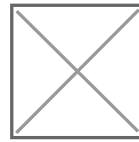

Our uniqueness:

High quality technologies and devices that last over time, effective methods, long-lasting results and ethics in the commercial proposal.

ISO certification

CESARE QUARANTA

UNIPERSONALE

Cesare Quaranta employs a quality management system in compliance with ISO 13485:2016 for the design, production and technical assistance of electro-medical devices for dermocosmetics and in compliance with ISO 9001: 2015 for the design, production and technical assistance of equipment for aesthetic and medical use with the aim of consolidating the quality level achieved in the production processes and reinforcing the renewal and the continuous improvement already present in all the company areas.

Advanced technologies

Our long-lasting collaboration with national universities and research institutes makes us able to predict and anticipate the market choices, developing unique and patented aesthetic technologies.

Third party solution

Our approach makes us reliable and flexible partners in every phase of the product customization process. Starting from the needs expressed by the partner, we design, develop and produce devices that comply with the requirements of the target market.

Professional training

Periodic appointments dedicated to training allow operates to maintain a high level of professionalism thanks to the know-how that the company is able to supply.

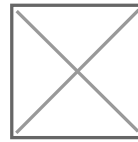

Technical assistance

Our know-how and the gained experience in the customers' assistance make us able to be quick and efficient.

Recognizability of the trademark

Cesare Quaranta is an historical brand of professionalism aesthetics which supports constant investments in advertising and communication to strengthen its commercial network.
