> More about Reynaldi

Since 1979, our company REYNALDI SRL produces cosmetics as contract manufacturer for several clients. We invest 13% of our turnover in R&D every year and have a relevant experience in natural and organic products. We are very focused on sustainability by using the strictest standards for quality sourcing, environmental impact, results, and safety. Our daily potential production is 9.000 kg for bulk and 100.000 pieces/day. We ship every day our MADE IN ITALY products to USA, China, Japan, Asia, Emirates, Iran, Europe. We formulate according to the client's needs.
