EMMEBIESSE

> More about EMMEBIESSE

Since 1967 EMMEBIESSE produces terry, waffle and cotton fabrics and articles for bathroom-wear, homewear, sportswear, beachwear & leisurewear. EMMEBIESSE is one of the European leaders in the terry fabric sector, supplying for many years some of the most famous stylists and brands.

Luna di Giorno is a unique line of terry fabric and waffle items. Exclusive co-ordinates, special design, research of refined and comfortable articles: this is how to describe this line, in which tradition and classic taste are combined with quality, innovation, trend and style. The Spring-Summer and Autumn-Winter collections are made up of different lines, each consisting of a wide range of bathrobes, towels, accessories, all coordinated with each other.

Caterina D. is an exclusive collection of home-wear and outerwear clothing, whose particularity is practicality and comfort. The fabrics used for the Summer and Winter collections guarantee maximum comfort and adapt to different types of physicality. This collection is destined to all those women called to play more roles during their day and therefore want to feel suitable for the diversity of situations that from morning to night have to face. To women with an easy-chic lifestyle who want to feel good at all times with a dress.

All the collections are completely *made in Italy*.
