> More about LANIFICIO SUBALPINO

SUBALPINO is a family company located in the Italian textile area of Biella .

Specialized in producing made in Italy fancy fabrics in natural fibers and mixed for jacketing, suits, trousers , coats and accessories. In the summer collection we mainly produce cotton and linen fabrics, while in winter we work with wool and wool cotton fabrics. A range of organic fabrics is also part of both winter and summer collections.

We have the GOTS, RWS and TESSILE e SALUTE certifications.

The business unit is able to take care of many requests coming from top level fashion designers: 14 people work at SUBALPINO. Warping and weaving are done in the owned factories and finishing and stocking are made in the surrounding area of Biella.

We attend fashion exhibitions held in Milan at Idea Biella, in Tokyo at Jitac and in Shanghai at Milano Unica China.
