> More about LANIFICIO EGIDIO FERLA

For over a century, we have been manufacturing textiles for menswear and womenswear with a distinct soul and style that make a statement. We put our heart into everything we do, which is why we have distinguished ourselves over time. We are known not only for our quality and innovation, but also because we have added the right amount of creativity, research and freshness to the renowned classic style of Biella fabrics, which has gradually convinced the most prestigious luxury fashion brands in Italy and abroad.

The constant research of new types, through innovative solutions in the field of yarns, patterns and colours which modernly interpret fashion trends, is the most distinctive mark of our fabrics. For the Autumn/Winter season, our most important and typical qualities are made in Baby Alpaca®, a precious fibre only obtained from the first shearing of the Alpaca and we produce innovative fabrics made of special and fancy yarns in Baby Alpaca®, wool and other natural fibers. For the Spring/Summer season, innovative fabrics with special fancy yarns of linen, wool, silk, cotton and Baby Alpaca®. Both collections are developed in a wide range of articles and patterns, rich variety of yarn dyed colours, modern finishing.

LANIFICIO EGIDIO FERLA mainly operates in the design and textile fields.
