> More about Passamaneria Italiana

Passamaneria Italiana is a family-owned maker of trimmings known and trusted in the fashion and home furnishings world as the standard-setter for excellence and innovation. We produce a wide range of braids, cords, fringes, tapes to meet customer needs across the spectrum. Creative design and abundant raw materials allow us to constantly update and keep fresh our product line. New looks and fabrications are what drives the fashion industry.

Passamaneria Italiana combines market insight and agility to maintain an innovative edge. Anticipating and satisfying customer needs as they evolve is the reason we are a point of reference in apparel trims.

The new collection we will be presenting is inspired by the following trends: Masculine Femininity, Gipsy Vibes, Urban Chic, See Through, Puffy Looks, Rockstar.
