

OFFICINA +39

> More about OFFICINA +39

Fashion and Sustainable Chemicals for textile, garments and denim industry.

Officina39's real heritage is made up of a thirty-year experience dedicated to research and chemical application in textile. Inspired by Italian artisanal tradition and creativity, our Team combines passion, innovation, sustainable practices, clean information, transparency and social responsibility. A state-of-the-art application laboratory makes us the ideal partner in sustainable trends for apparel industry. We produce and sell selected ranges of chemical specialties, dyestuffs and pigments.
