> More about AMMA MODE DI COPPO ANDREA

Focusing on great care and research on materials, AMMA is an exclusive collection of "timeless and a-seasonal" bags, designed for a determined and feminine woman, who brings the holiday mood in the everyday life.

AMMA is an exclusive bags collection produced entirely in Italy, based on ideals of quality, elegance and craftsmanship practical and refined, ironic and aesthete: an accessory appropriate in every situation to enhance women's femininity.

AMMA is the natural consequence of the passion for fashion and haute couture, inherited from the grandmother, dressmaker in the atelier of the Fontana sisters, which has always been the focus of designer Luisella Zeppa's professional life.
