### OFFER

#### **Electrics and Electronics**

- |                                       |  |  |
|---------------------------------------|--|--|
| <input type="radio"/> Sensors         | <input type="radio"/> Electronic wiring      | <input type="radio"/> Components       |
| <input type="radio"/> Connectors      | <input type="radio"/> Electronics of command | <input type="radio"/> Assembly         |
| <input type="radio"/> Electric wiring | <input type="radio"/> Power electronics      | <input type="radio"/> Embedded systems |

Other fields:

.....

REGIONE  
PIEMONTE

iniziativa cofinanziata con Fondo di Sviluppo e Coesione

[www.regione.piemonte.it/fsc/internazionalizzazione](http://www.regione.piemonte.it/fsc/internazionalizzazione)

**Mechanics & Material transformation**

- Cold pressing
- Metal cutting
- Stamping
- Undercutting
- Forming
- Foundry
- Ironworks
- Mechano-welding
- Precision mechanics
- Microtechnics
- Surface treatments
- Machining

Other fields: .....

For foundry, please specify:     Cast iron                       Aluminium     Steel     Zamak

**Plastics processing industry**

- Assembly
- Boiler making
- Cutting
- Extrusion
- Forming
- Hydroforming
- Injection / Microinjection
- Moulding
- Overmoulding
- Welding
- Machining
- Thermoforming

Other fields :  
.....

**Materials**

- Rubber
- Ceramics
- Composites
- Metal
- Polymers
- Glass

Other fields :  
.....

**Other kinds of offers not specified above:**

.....  
.....  
.....

**Describe the type of skills you offer:** (technical description, number and type of executable pieces, quantities...):

.....  
.....  
.....

**Certifications and standards obtained:**

.....  
.....

**Main competitive points of the Company (please detail):**

.....  
.....  
.....

**The Company already works with agents:**    Yes / No

**If yes, please detail in which Country:**

.....

**The target customers of the Company in Germany are** (please detail names and/or type of company):

.....  
.....  
.....

**Per informazioni:**
